## SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

**The Missouri Department of Transportation has determined that only one source can provide the products or services described below**

**Title:** Commercial Mix Asphalt Material: BP-2, PG 64-22  
SFS 7 – 110414

**Description:** The Missouri Department of Transportation District 7 has determined that Leo Journagan Construction can provide the department with asphaltic material that will result in cost, fuel and time savings. Journagan has been awarded a project on Route 52 in Bates County and will be set up to run hot mix at the Butler quarry. This plant is located 3 miles from the job that is requiring an additional 1200 tons of hot mix. Journagan has agreed to honor the contracted drop price for the Rte 52 Overlay project at \$49.44 per ton of hot mix. Utilizing this hot mix from Journagan at the Butler quarry versus driving to Blevins at Carthage will save truck operations cost @ \$1.60 per mile for a 90 mile trip as well as a cost savings in fuel and time. The amount of this purchase is estimated to be approximately \$60,000.
